

## CURRICULUM VITAE

Personal Information	
Full name	Qi-Kun Xue
Current position	Professor
Organization	Physics Department, Tsinghua University
Country	China
	
Curriculum Vitae	
Education	<b>Prof. Qi-Kun Xue</b> received his BSc in Shan-Dong University in 1984, and PhD degree in condensed matter physics from Institute of Physics, the Chinese Academy of Sciences (CAS) in 1994.
Professional Experience	From 1994 to 2000, he worked as a Research Associate at IMR, Tohoku University, Japan and a visiting Assistant Professor at Department of Physics, North Carolina State University, USA. He became a professor at Institute of Physics, CAS in 1999. He was elected into The Chinese Academy of Sciences in 2005. Since 2005, he has been a professor in Department of Physics, Tsinghua University. From 2010 to 2013, he was the Chair of Department of Physics and the Dean of School of Sciences. He became the Vice President for Research in May 2013.
Professional Society	Currently, he is the Editors-in-Chief for Surface Review & Letters, and on the Editorial Board of Physical Review B, Applied Physics Letters, Journal of Applied Physics, Surface Science Reports and AIP Advance.
Major Interest	His research interests include scanning tunneling microscopy/spectroscopy, molecular beam epitaxy, low-dimensional and interface superconductivity, topological insulators, and quantum size effects in various low-dimensional structures.
