

Personal Information

Full name	Sunmin Ryu	
Current position	Associate Professor	
Organization	POSTECH (Pohang University of Science and Technology)	
Country	Korea	

Short Biography

Dr. Sunmin Ryu is an associate professor of chemistry at Pohang University of Science and Technology (POSTECH). He obtained his B.S. (1998), M.Sc. (2000), and Ph.D. (2005) in Chemistry at Seoul National University. He worked as a postdoctoral researcher at Korea Research Institute of Standards and Science (KRISS) until 2006 and then at the chemistry department of Columbia University until 2009. He started teaching at the department of applied chemistry at Kyung Hee University as an assistant professor and moved to POSTECH in 2014. His research group (<http://sunryu.postech.ac.kr>) is currently pursuing surface scientific investigation of two dimensional materials using various optical spectroscopy and scanning probe methods.
