

Personal Information

Full name

Tae-Hwan Kim

Current position

Assistant Professor

Organization

POSTECH
(Pohang University of Science and Technology)

Country

South Korea

**Short Biography**

Dr. Tae-Hwan Kim is an assistant professor of physics at Pohang University of Science and Technology (POSTECH). He obtained his Ph. D. degree in physics from Seoul National University in 2005. During his postdoctoral period, he worked at the Center for Nanophase Materials of Oak Ridge National Laboratory (2006-2010). He continued his career as a research professor at POSTECH (2010-2013). Since 2013, he has been working as a faculty member of the department of physics at POSTECH and his current research interest is topological edge states of low-dimensional electronic systems at the atomic scale.
