

Personal Information

Full name	Yun Daniel Park
Current position	Professor
Organization	Seoul National University
Country	Korea

**Short Biography**

Yun Daniel Park is currently a professor in the Department of Physics & Astronomy, Seoul National University. He joined the SNU faculty in 2001 as a Samsung Electronics Endowed Research Professor after a highly successfully completion of his National Research Council-National Academy of Sciences (USA) postdoctoral fellowship at the US Naval Research Laboratory (Washington DC). YDP research interests span nanomechanical systems to magnetic nanostructures. He has authored over 100 peer-reviewed journal articles, which have been collectively cited over 4400 times as well as several domestic and US patents and jointly holds a Guinness World Record. YDP is an active member of several international societies including APS, AVS (MIND Executive Committee Member 2007-2010), MMM (Program Committee 2007, 2015, 2016), and MRS (Symposium co-organizer, 2006 Spring Meeting).
